

EPA Certified Lead Renovator Training

Presented by:

April 21, 2010

8 AM to 5 PM

\$200/person for NPBA Members

\$250/person for non-members

Location: Vern Burton Meeting Room
308 E. 4th Street (Across from the County Courthouse)
Port Angeles, WA 98362

The instructor for the class is Andre' Zwanenburg; both he and RGA Environmental, Inc. have been approved by EPA.

Each company needs at least one person certified and must attend a class that is approved by the EPA. That company also needs to apply to become a Certified Renovator at an additional cost of \$350. Companies can apply on line at: <http://www.epa.gov/lead/> . The application is attached, however, please check the website for more information.

Registration and payment is required to attend this class. Please complete the form below and return to the NPBA office by fax at 360-452-8197, email to clair@npba.info or mail to NPBA, PO Box 748, Port Angeles, WA 98362. You can also drop off registration and payment at the office: 3430 E Hwy 101, Suite #1 in Port Angeles (right off Hwy 101, directly in front of Walmart in the Midway Business Center).
